## Wildlife, History and Countless Attractions

Experience the unsurpassed beauty of Western New York as you travel through the best 100 miles of the historic Erie Canal. Relax as you serenely glide by countless villages and hamlets; stop and browse the local antique shops, museums, and historic sites including the Women's Hall of Fame in Seneca Falls and the Fairport Historical Museum.

The more active adventurer can explore the surrounding shoreline with its extensive options for hiking and nature walks. The Montezuma Wildlife Refuge is a birdwatcher's paradise. Cycling trails are plentiful along the canal, and you'll find bicycles on board for everyone. For the wine enthusiast, the Finger Lakes' wineries overflow with touring and tasting opportunities.

## The *Sunflower*

### Travel in Style and Comfort

Whether it is a romantic getaway for the two of you, a celebration of friendships, or a family vacation, the lovingly restored *Sunflower* is the perfect venue. A fully-equipped galley allows you and your guests to easily prepare the catch of the day. You may prefer to disembark with a picnic lunch and spend a relaxing afternoon in a tranquil spot. Or decide to dine at one of the many charming restaurants along the way. *It's your choice.*

At the end of the day, retire to your cozy, private cabin stocked with fresh linens, or choose to dream on the cushioned bow of the *Sunflower* under a canopy of stars. The *Sunflower* provides spacious, comfortable accommodations for six adults. At a generous 44 feet it is the longest length hire boat on the canal. The galley is equipped with cooking utensils, refrigerator, oven, stainless steel sink and gas range. Kitchen, bath and bed linens are also provided. The dinette converts to a double bed.

The *Sunflower* is centrally heated and offers plenty of storage. For specific information on points of interest and suggestions for what to pack, visit our web site at [www.lowbridgecharters.com](http://www.lowbridgecharters.com).

**WATER:** 100-gallon freshwater tank with pressurized hot-water system.

**ENGINE:** Diesel with single-lever control. Ample fuel supplied for your week's hire.

**ELECTRIC BOW THRUSTER:** Assures safe and graceful lockings and dockings.

**ELECTRICAL SUPPLY:** A 110V/1,000 watt AC inverter supplies three outlets for shaver or radio.

**SHORE POWER:** In addition to the ample battery/inverter system, the shore power connection automatically overrides the inverter to provide full 20 amps of 110V AC power from shore side outlets.

**LOUVERED WINDOWS:** The window design allows cross ventilation in even the wettest weather.
